

Math: 10.2 Part of a whole

- Look at powerpoint lesson
- Complete reteach 10.2 - part of a whole **GRADED**
- Complete one practice session on [www. Xtramath.org](http://www.Xtramath.org)

Reading:

1) Read for 30 minutes and record time on a reading calendar.

- If extra time: write a few sentences in a reading journal about what you read.

2) **OPTIONAL Journal Writing:** On a piece of paper, answer the following journal question:

Describe your best day ever. What would you do and why? Give as many details as possible.

- Try to write at least 10 sentences.
- Then, add a picture to go with your writing.

Social Studies: work on finishing your poster and practicing your presentation. If you able, take photos of your board and record your presentation. Email them to Mrs. Porn mporn@hanb.org

Religion: Complete Unit 3 review (p_193-196)

- Answers will be given next week to check.

Science: Read about Magnets.

-a magnet is an object that attracts things made from certain metals

-every magnet has 2 poles: north and south; a magnetic force is **strongest near the poles**

-Here is a short video clip that explains more about magnets:

<https://www.youtube.com/watch?v=-aNpmCSZHbk>

-If students have a magnet at home – and parents can supervise – students can try putting various objects from around the house next to the magnet to see what the magnet is attracted to.

-Students can read pgs. 110-120 and answer the questions on those pages (PRACTICE)

- (answer key is in today's folder if needed)

-Remember, students do NOT need to complete any of the hands on questions
