## News and Notes News and Notes

First I want to thank everyone for all the well wishes I received over my maternity leave and upon my return. I truly enjoyed my time at home with my boys. Ms. E did an amazing job with the students while I was gone. I met with her before my return to ensure a smooth transition and we took off running on Monday! Please let me know if you have any questions or concerns about anything.

This week the third graders brought home directions for their holiday fair project. Each student was assigned a holiday that they will research, write a report, create a trifold poster, and put together a presentation on. Please note that students will be given time to do research at school, but they may need to work on some at home. Students will need to have their research done by February 20th. The date of the actual Holiday Fair will be March 20th at 10:45. Parents are welcome to attend the presentations. Please ask Mrs. Porn if you have any questions.

February 12th: Discipleship Wednesday- please bring in \$1 or more for Assisi Special School.

February 13th- Valentines Day Party: Students may bring in valentines to pass out to the class. They should make sure they bring one for every student in our homeroom. We will have a small party in the afternoon. Thank you to the parents who signed up to donate supplies.

February 14th and 17th: No School, teacher in-service

February 20th: Holiday Fair research due. I will remind all students to take their research packets home over the weekend to work on this. We will work on it next week in class.

Have a great weekend!
